## Be a part of Luxpo in 2019

Now in its fifth year, Luxpo is a unique luxury event run by *ttgluxury* and *TTG Media*.

The event is designed to match a range of high-end travel brands with a hand-picked selection of luxury travel agents in useful one-to-one meetings.

The full-day London events provide you with the opportunity to spend more time with each of the 26 agents within a relaxed and luxurious setting, including a networking lunch. In the regional events, you will spend the afternoon with 15 agents.

Luxpo is one of THE most cost-effective events in the luxury sector, giving great ROI per contact acquisition and the chance to present your product to the right kind of agents in a suitable format and environment.
